# SOLAR SOLUTIONS
## SINGLE & MULTI CAMERA SYSTEMS

**Rapid Deployment Solar Surveillance System:** This mobile surveillance system can be quickly deployed and moved around, making it perfect for construction companies, oil and gas firms, and other companies that require mobile on-site surveillance. It supports existing security infrastructure by providing new surveillance angles and detecting intruder movements in real time. Additionally, we offer many other Solar Products, including Solar Message Boards and Power Banks, to give you Solar Power when there is a loss or no access to electricity. Plus, there is Financing Available!

INVERTER AIR CONDITIONER

LED LIGTH BULB

CEILING FAN

EVERYTHING COMES ALIVE!

HI!

UNITED STATES OF AMERICA

**DOLPHIN**
dolphin, any of the toothed whales belonging to the mammal family Delphinidae (oceanic dolphins) as well as the families Platanistidae and Iniidae, the two that contain the river dolphins. Of the nearly 40 species of dolphins in the Delphinidae, 6 are commonly called whales, including the killer whale and the pilot whales. The name dolphin is also applied to members of the fish genus Coryphaena (family Coryphaenidae).
