

INVID-TTSST800

800W Solar Trailer 24" MAST 4X200aHx12.8V = 10.2kWh AGM batteries

Features

- 24/7 surveillance with state-of-the-art, 360-degree, day & night optics. AI enhanced, intruder detection capabilities. Custom camera options available.
- Battery powered surveillance systems that utilize 100%renewable energy. Eliminate of fuel, oil, and coolant, & reduce labor costs. Ready for rapid, remote deployment and automated operation.
- Premium, Made-in-the-USA trailers and steel compartments paired with high-quality components.*
- Equipped with INVID-GLOBALINK for Bluetooth enabled real time solar charging and battery voltage providing trends/historical data.
- NDAA Compliant

AI enhancements and additional capabilities:

- Facial recognition
- Speed detection
- License plate recognition Configurable alarm outputs 2-way audio
- Eliminates false / nuisance alerts

Benefits of solar system:

- Zero carbon emissions
- Zero maintenance costs
- Zero noise
- Fully automatic operation
- Quick setup
- Simple operation

Model	INVID-TTSST800
Solar Panels & Regulator	2 or 4 x 400W panels MPPT solar charge controller
Shore Power Charging	110VAC ~11 hour recharge
Video Cameras & Recording	<ul style="list-style-type: none"> • 24/7 video recording • 360-degree view • Edge recording w 4TB storage • AI enhanced video analytics • 4G cellular connectivity options
Battery Capacity	<ul style="list-style-type: none"> • 4 x 200AH AGM • 10.24kWh • High Capacity Option Available
LED	<ul style="list-style-type: none"> • LED Floodlights option • AI enhanced motion activation
Dimensions (L x W)	88" with removable drawbar x 68"
Mast Height & Deployment	23' (90" stowed) hand crank or electric upgrade
Construction	<ul style="list-style-type: none"> • Lockable weatherproof control and battery boxes. • Removeable tongue • Powder coated steel • 4 stabilizing jacks

*Electronics, cameras, accessories NOT made in the USA

Available Add Ons:

- Add-on 800W Solar Panels (for a total of 1600W)
- Add-on Double Battery Capacity (to increase autonomy for areas with low solar insolation)

Other Trailer Options:

- Solar Security with LED Lights Low Capacity (4 x 90W LED, 24'mast, 800W solar, 4x200aH, 10.2kWh AGM batteries)
- Solar Security Tower with LED Lights High Capacity (4 x 90W LED, 24'mast, 1600W solar, 8x200aH, 20.4kWh AGM batteries)
